-The cohort for this report is all graduates from Summer 2009-Spring 2018 Graduation year includes summer, fall, spring terms.

-Only graduates employed in TN are included. Earnings Source: Tennessee Dept. of Labor & Workforce data files. Excludes workers earning less than minimum wage (\$15,080 per year).

-Yearly salary is calculated by taking the amount earned in the quarter one year after graduation, multiplied by 4.

-Yearly salaries were adjusted to 2019 dollars using the Bureau of Labor and Statistics Consumer Price Index Inflation Calculator.

-Debt of undergraduates is calculated for first time freshmen who graduate from the U of M. Only loans made to students who borrowed while enrolled at the University of Memphis are included.

-Debt of graduate students is calculated only for students who began their graduate program after Fall 1996. If a graduate student received more than one graduate degree, debt information is calculated only for the first degree.

-Yearly salaries were adjusted to 2019 dollars using the Bureau of Labor and Statistics Consumer Price Index Inflation Calculator.

-Debt of undergraduates is calculated for first time freshmen who graduate from the U of M. Only loans made to students who borrowed while enrolled at the University of Memphis are included.

-Debt of graduate students is calculated only for students who began their graduate program after Fall 1996. If a graduate student received more than one graduate degree, debt information is calculated only for the first degree.
